Filing Description:	
USAA Group is revising the Valuable Personal Property Program on file with your Department effective on or after December 7, 2007 for new policies and on or after February 7, 2008 for renewal policies.	

Due to the very small number of member participants, and the fact that maintenance of the Jewelry in Vault Credit required manual rate adjustments, it is no longer cost effective to continue offering this credit as part of our Valuable Personal Property Program. The Jewelry in Vault Credit was optional and available to those members that agreed to keep specified items in a bank vault.

Currently, we have a small number of members that have the Jewelry in Vault Credit on their Valuable Personal Property Policy. We have identified those members that will see a premium increase of \$50.00 or more upon renewal and will personally contact them to discuss the change to their policy. In Arkansas, we have identified only one member who is still receiving this credit.

Revised Valuable Personal Property manual pages reflecting the removal of the Jewelry in Vault Credit are included with the corresponding filing #VPPAR00032CGR01. In addition, we wish to withdraw our Jewelry in Vault Endorsement, VPP-JV (02-06).
